Subject : Request for Class II Permissive Change
FCC ID : HYQ13BCX
Original grant date : December 7, 2006
Applicant : DENSO CORPORATION

To Whom It May Concern:

This is to request a Class II permissive change for FCC ID: HYQ13BCX, originally granted on December 7, 2006.
We changed the following points from the original model.

- Remove shield plate
- Change Printed-circuit board:
Elimination of holes for shield plate and thermal land

Please refer to attached "Internal Photo" and "Theory of Operation" for details of these modifications.

This time, we performed the testing and confirmed that this product still meets the minimum requirements of the applicable rules of FCC. Please refer to the test report submitted with this application.

Thank you for your attention to this matter.

Sincerely yours,

Kazuo Sakakibara
Senior Manager
Engineering Administration Department
