Re: Application for Cellular/PCS Transceiver Certification
(Class II Permissive Change)

Application:

Motorola, Inc., Personal Communications Sector, 600 N. U.S. Highway 45, Libertyville, Illinois 60048-1286 herein submits items for Class II Permissive Change Certification of Cellular Transceiver, FCC ID: IHDT56EV1.

Description of Change:

A body worn device (SYN1100A) is now available. In addition, the ground connection at the hinge is expanded with the removal of solder resist to expose additional copper plating. (The PCB layout and runners did not change.) A class II permissive change RF Exposure report is submitted to document the SYN1100A body worn device and update the SAR. No EMC characteristics degraded.

Contact Information:

Please contact me by telephone at (847) 523-6167, or by e-mail (A.Bachler@motorola.com), if there are questions or additional information needed concerning this filing.
