FCC Rules: Part 87

Gentlemen:

The Application for Certification of Intentional Radiators operated in the under part 87 (Aviation Services) has been completed. The 731 form and application have been electronically submitted and any attachments will be up loaded to your web site. Please use this information in obtaining a grant of certification for the aviation services transceiver. The receiver will be verified per parts 2 and 15 of the CFR.

This transceiver will operate on 25 kHz or 8.33 kHz channel spacing. A request for rule waiver has been filed with the FCC. The FAA has notified of the transceiver design and FCC submittal. Please proceed with the grant of certification upon review of the uploaded information.

Should you require any further information, please contact the undersigned.

Thank you for your consideration in this matter.

Sincerely,

Scot Rogers
