                         Olathe, KS 66062

Re: Class 2 Permissive Change

FCC Rules: Parts 2 and 15C

To Whom It May Concern:

This application submittal provides documentation in support of a Class II permissive change to address addition of modulation scheme. This equipment has been granted under FCC ID: IPH-03110, issued 02/24/2017. The equipment remains electrically identical as original equipment and information on record continues to apply. The change from the original application includes the addition of a 2.4 GHz modulation scheme. The Form 731 and application have been electronically submitted and any attachments will be up loaded to your web site for use in obtaining grant of certification

Should you require any further information, please contact the undersigned. Thank you for your consideration in this matter.

Sincerely,

Scot Rogers
