 - b) To get the owner's manual, go www.garmin.com/manuals

Getting the Owner's Manual

The owner's manual includes instructions for using device features and accessing regulatory information.

Go to **garmin.com/manuals**.

2. The following specific instructions are provided in the owner's manual that is provided at www.garmin.com/manuals:

Viewing Regulatory and Compliance Information

The label for this device is provided electronically. The e-label may provide regulatory information, such as identification numbers provided by the FCC or regional compliance markings, as well as applicable product and licensing information. Not available on all models.

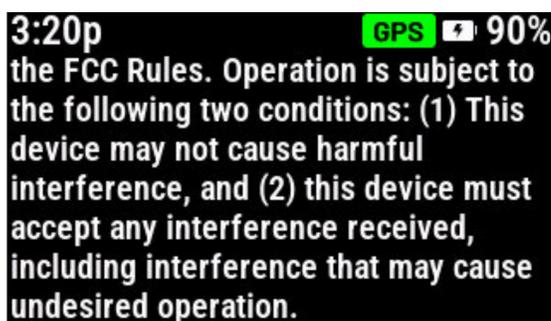

- 1 Select **Settings**.
- 2 Select **System**.
- 3 Select **About**.

3. Scroll the "about" page to display the following information.

2:27p GPS  100%

M/N: A05071
IC: 1792A-05071
FCC ID: IPH-05071

3:20p GPS  90%

the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: The FCC statement is clearly legible and can be read without the aid of magnification.

4. The above information is programmed by Garmin and secure so that third-parties cannot modify it and the application or script allows for the regulatory information to be displayed correctly.
 - a) The regulatory information and dedicated exclusive application or script is secured and implemented in a factory-set-unalterable format. The regulatory information is capable of being retrieved and displayed locally, and under the control of the end user in possession of the product.
 - b) “No special accessories or supplemental plug-ins (e.g., installation of a SIM/USIM card) are required to access the information. Access to the information is provided without special codes, accessories, or permissions beyond the normal security protection to unlock the screen, sign-in page, or overall product access.”
5. The above M/N, FCC ID, and IC numbers can be found printed on the product packaging.
