Label and E-Label Information

E-Label Information:

A. The following specific instructions are provided in the Quick Start Manual that ships with the device.

    a. Label viewing directions are found in the user manual (outlined here for reference) and available online at www.garmin.com.

    b. Getting the Owner's Manual:
    The owner's manual includes instructions for using device features and accessing regulatory information.
    Go to: www.garmin.com/manuals/AA4828

B. The following instructions are provided in the user manual on how to access the e-label:

Viewing E-label Regulatory and Compliance Information
The label for this device is provided electronically. The e-label may provide regulatory information, such as identification numbers provided by the FCC or regional compliance markings, the IMEI number, as well as applicable product and licensing information.
1 Select **Settings**.
2 Select **System**.
3 Select **About**.

M/N: AA4828
IC: 1792A-A4828
FCC ID: IPH-A4828
ANATEL: xxxxx-xx-xxxxx

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

C. The above information is programmed by Garmin in such a manner that third-parties cannot modify it.

"No special accessories or supplemental plug-ins (e.g., installation of a SIM/USIM card) are required to access the information. Access to the information is provided without special codes, accessories, or permissions beyond the normal security protection to unlock the screen, sign-in page, or overall product access."

Electronically displayed information is clearly legible without the aid of magnification.

D. The above M/N, FCC ID, and IC numbers can be found printed on the product packaging.
