Viewing Regulatory and Compliance Information

The label for this device is provided electronically. The e-label may provide regulatory information, such as identification numbers provided by the FCC or regional compliance markings, as well as applicable product and licensing information.

- 1 Select .
- 2 Select **System**.
- 3 Select **Regulatory Info**.

Note: The FCC statement is clearly legible and can be read without the aid of magnification.

- C. The above information is programmed by Garmin and secure so that third-parties cannot modify it and the application or script allows for the regulatory information to be displayed correctly.
1. The regulatory information and dedicated exclusive application or script is secured and implemented in a factory-set-unalterable format. The regulatory information is capable of being retrieved and displayed locally, and under the control of the end user in possession of the product.
 2. "No special accessories or supplemental plug-ins (e.g., installation of a SIM/USIM card) are required to access the information. Access to the information is provided without special codes, accessories, or permissions beyond the normal security protection to unlock the screen, sign-in page, or overall product access."
- D. The above M/N, FCC ID, and IC numbers can be found printed on the product packaging.
