Germany

Dear Sir or Madam,

Garmin International Inc., authorizes Mr. Johann Roidt from TUEV-Sued Senton GmbH, Aeussere Fruehlingstr. 45, 94315 Straubing, Germany to act as Garmin's agent for the sole purpose of making application to relevant spectrum agencies to secure the certification or approval of the Garmin AIS600 product at international locations defined in separate documentation. This authorization is not transferable and includes signing the application on behalf of Garmin.

The AIS600 is maritime ship borne Class B transponder system that provides Automatic Identification System functionality compliant with specification IEC 62287-1.

This authorization expires on 23rd of December 2010.

Sincerely,

A handwritten signature in cursive script that reads "Van Ruggles". Below the main signature, there is a smaller, less legible signature that appears to be "by D. John".
