Re: Request of Confidentiality for FCC ID#: IWC-DTS
Model: 599

Pursuant to Sections 0.457(d)(1)(ii) and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of information accompanying as outlined below: Schematics, Parts List, Technical Description, Block Diagrams and Installation Instructions.

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors. The installation manual is very technical and is not provided to the consumer because the consumer cannot service the device, nor is the consumer receiving the installation manual.

The Applicant understands that pursuant to Rule 0.457(d)(1)(ii), disclosure of this Application and all accompanying documentation will not be made before the date of the Grant for this Application.

Sincerely,

A handwritten signature in cursive script that reads "Frank J. Hosner".
