RE: CONFIDENTIALITY REQUEST FOR SPECTRAPULSE MTU301 IC1752B

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the SpectraPulse UWB wireless products including MTU301 and documents eligible for confidentiality: Schematics, Block Diagrams, Operational Description, PCBs, Parts Lists/BOMs, Tune up Procedures required to be submitted with this application be permanently withheld from public review.

This is requested as a required condition of a proprietary exclusive technology licensing agreement, and to ensure that our intellectual property, expertise and know-how do not become known or possessed by our competitors now or in the future.

Please contact me if there is any information you may need.

Sincerely,

Jacquelynn Green
