

December 16, 2015

UL Japan, Inc.  
4383-326 Asama-cho, Ise-shi,  
Mie 516-0021 Japan

Ref: FCC ID: JFZT1006T1007  
Models: ATW-T1006, ATW-T1007

**Letter of Authorization**

To whom it may concern:

Please be advised we authorize Yoshihsa Maeda of Consumer Technology Division, UL Japan, Inc. to act on our behalf, for the application of the ATW-T1006, ATW-T1007 / FCC ID: JFZT1006T1007 to the Federal Communication Commission for Radio Equipment.

All test data, results, reports and documents relating to these matters will be copied and delivered by Yoshihsa Maeda of Consumer Technology Division, UL Japan, Inc. to Audio-Technica U.S., Inc. and retained for future reference.

We also hereby certify that no party to the application authorized hereunder is subject to the denial of benefits, including FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C.853(a).

The application for the subject equipment has not been submitted to another TCB for certification.

**This agreement expires one year from the current date. The authorization will not be transferred without written consent from Jacquelynn Green, Audio-Technica U.S., Inc.**

Thank you for your attention to this matter.

Sincerely,

Jacquelynn Green  
Vice President R&D  
Audio-Technica U.S., Inc.
