APR 21 2017

Mr. Andy Leimer  
Federal Communication Commission  
7435 Oakland Mills Road  
Columbia, MD 21046

Dear Mr. Leimer:

The Federal Aviation Administration, Office of Spectrum Engineering Services has received the TIMCO Engineering Inc. letter of notification dated April 11, 2017, regarding their application for a Federal Communications Commission (FCC) certification of its equipment model FTA-250, VHF Air band handheld radio FCC ID: K6650023X20.

We have completed the review process of the information submitted by TIMCO. We have concluded that we have no objection to the FCC granting certification for this equipment.

If you require any additional information, please contact Ms. Annette Allender, Electronics Engineer, Spectrum Planning and International Team, at (202) 267-3893 or by e-mail [annette.allender@faa.gov](mailto:annette.allender@faa.gov).

Sincerely,

A handwritten signature in black ink that reads "Michael Richmond".

Michael Richmond  
Acting Manager, Spectrum Planning  
and International Team
