RE: K66FT-8900R

To Whom It May Concern:

Due to the limited space on the chassis of the radio, and since the upper and lower covers are removable, it is respectfully requested that the 2-part statement label be permitted to be placed in a prominent location in the Manual, or alternatively, on the container in which the device is marketed. This label shall read:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference; and (2) this device must accept any interference including interference that may cause undesired operation.

Very truly yours,

Vertex Standard Co., Ltd.

A handwritten signature in black ink, appearing to read 'Tomiro Ohmoto'.
