## Commercial power of Attorney

### Radio Frequency Transmitter Type 410.003.003 / 410.003.004

The Continental Automotive GmbH, Germany, has been contracted by company Continental Brasil Indústria Automotiva Ltda, Av. Senador Adolf Schindling, 131 Itapegica-Guarulhos-SP, Brazil, to obtain "Radio Type Approval" for the following low power wireless devices:

- Continental, Radio Frequency Transmitter      **Model 410.003.003 / 410.003.004**

This appointment is valid for 8 months, starting with the date of this authorization, provided, however, that Continental Brasil Indústria Automotiva Ltda may revoke this authorization and appointment at any time prior to the expiration of three periods upon written notice to Continental Automotive GmbH.

Kind Regards,

Camila Araujo
