

25.88 mm

The diagram shows a horizontal rectangular device. A red dimension line at the top indicates a width of 25.88 mm. The device has a light gray top section and a dark gray bottom section. The top section contains the text 'Research in Motion Limited, DC RATING: 5V == 1.8A, Made in Taiwan'. The dark gray bottom section contains the text 'S/N:XXXX-XXXX-XXXX, Cert Model: REH51UW' and 'IC: 2503A-REH50UW, FCC ID: L6AREH50UW'. On the right side of the device, there is a red circular feature. A red dimension line on the right indicates a height of 4.45 mm from the bottom edge to the center of this feature.
