Columbia, MD 21046

Dear Sir or Madam:

The following versions of the product have the same RF circuitry and enclosure. All have the same electromagnetic emissions and electromagnetic compatibility characteristics.

A description of the differences between models that are declared similar are as follows:

Model Number	Port 0 Relay	Port 1 Relay
Y99850-401	24VAC	208-277VAC
Y99850-501	24VAC	24VAC
Y99850-601	208-277VAC	208-277VAC

The power supply, microprocessor and RF sections of the 3 model numbers are Schematic and PCB layout exactly the same. The Product Supports three possible relay configurations as shown above.

Please contact me should there be need for any additional clarification or information.

Best Regards,
