Subject: Data showing identical components for the Videoscanner and Triscanner FCC ID::  
**N94TS, EA92980**

Joe,

Enclosed is the info you requested in correspondence 6452. The following files have been sent:

Metal Components.pdf	- a list of the components used for the transmitter and their respective reference designators
N94Tsdata.pdf	- The new transmitter datasheets and plots.
radiocloseup.pdf	- close up photos of each products transmitter section
tsradio.pdf	- schematic of the Triscanner transmitter board with the transmitter components circled.
vsradio.pdf	- schematic of the Videoscanner transmitter board with the transmitter components circled.

Sincerely,

Chris Byleckie  
Technical Director
