Dear Mr. Grant

Included in our submission of the NCL135, is a cable used to connect to the console port. This cable will be used only during "debugging" and set-up, if and when required. We have included this cable to assist KTL in setting up our system to ready the NCL135 for approval process only.

WaveRider has no intention to supply this cable as part of our product. Nor will the cable used on any NCL135 on a continuous or daily basis.

Sincerely,
WAVERIDER COMMUNICATIONS INC.
