Dear Dennis,

Here are our answers:

1. an separate operation description was attached  
file name: operation description.pdf
2. an update attestation letter was attached, clearly indicated  
complying with 8 requirements  
file name: attestation-letter-update.pdf
3. a module label & a exterior label were indicated in the updated  
users manual p8.  
For the item 3 <20cm separation and mobile use> were also  
mentioned in this updated manual P7  
file name KM8-1 manual-06062003-update

If there is any info needed, feel free to contact me through e-mail  
Thanks
