Re: Request for confidentiality

Applicant: iSecureTrac Corp.

FCC ID:

To whom it may concern.

Request is hereby submitted by iSecureTrac Corp... to withhold from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) of the FCC Rules.

In particular, the following sections of the application are to be kept confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Internal photos
- 

Rationale for request for confidentiality:

iSecureTrac Corp. has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us. Also this product is used by private and governmental agencies to track criminals on probation or parole and individuals awaiting trial. The usage of this product is dependent on non-defeatable security measures implemented in the device. Disclosure of the confidential portions of this application to criminals or others who may be required to wear this device present a potential security threat to the general public.

If you have questions or need further information, please contact the undersigned.

Sincerely,

David Sempek  
Sr. VP, Technology  
iSecureTrac Corp.
