Making Wireless an Indoor State of Mind

FCC Confidential Authorization

Date: 08 August 2010

The above materials contain proprietary and confidential information not customarily released to the public. The device is placed in area non-accessible to the general public and is serviced only by Mobile Access Networks personnel or technicians designated by Mobile Access Networks. The user manual is not provided to the consumer but only designated technicians for servicing the device. The public disclosure of these materials provides unjustified benefits to its competitors in the market.

Sincerely,

A handwritten signature in black ink that appears to read "Steve C Blum".

Steve Blum

Product Manager

MobileAccess Networks
