FEDERAL COMMUNICATIONS COMMISSIONS

Authorization and Evaluation Division

7435 Oakland Mills Road

Columbia, MD 21046

Subject: Description of Permissive Change

Dear Sir/Madam,

We, Listen Technologies Corporation, hereby authorize Bay Area Compliance laboratory Corp to act as a laboratory for testing and test report generation for the following project(s):

FCC ID: OMDLK1-001, Model: LK-1

This project is a Permissive Change II submission due to an update of the device's software. We confirm this modification will not affect the original RF data which was completed in the original filing. Only SAR testing is required after we evaluated the output power.

We affirm that between BACL and Listen Technologies Corporation, any difference in understanding, including test plan, measurement methods, applicable standards and relevant procedures and processes have been resolved prior to commencement of testing activities.

This authorization is valid until further written notice from the applicant.

Sincerely Yours,

A handwritten signature in blue ink, appearing to read "Tracy Bathurst", with a long, horizontal flourish extending to the right.
