Subject: [Norton AntiSpam] Response to Inquiry to FCC (Tracking Number 729673)

Inquiry:

Dear Commission,

The applicant, Datalogic S.p.A, would like to have Commission's approval for placing the label for FCC ID: OMJ0022 inside the Battery compartment. The product is a handheld cell-phone like 11g PDA without phone function for general commercial store use. Attached please find the applicant signed proposal letter and related product photos. Thank you very much for your attention and please let us know your decision ASAP.

Best regards,

Steve Cheng

Response:

FCC approval for the label proposal is acceptable for this specific device.
Thanks
