4 October 2012

Microlise MTU4 – FCC compliance strategy

The Microlise MTU4-A and MTU4-B products integrate the following pre-qualified modules:

Telit GE864 Quad V2 – GSM module (FCC ID: RI7GE864Q2)
This is compliant with:

FCC 47 Part 15
FCC 47 Part 22H
FCC 47 Part 224E

Bluegiga WT32-A – Bluetooth module (FCC ID: QOQWT32AE)
This is compliant with:

FCC Part 15B:2007
FCC Part 15C:2005, Section 15.247, RSS-210 issue 7:2007, Annex 8

These modules have been integrated in accordance with the manufacturer's guidelines. Only partial testing of the MTU4-A and MTU4-B products has therefore been carried out to show compliance with the applicable FCC rules.
