

WARNING

This unit is set up for Sustaining Type Output. Do not change the output mode. Sustaining output means that the activated relay will be closed for as long as the transmitter button is held down. Once the transmitter button is released, the activated relay opens.

Please read instructions carefully and follow the wiring diagram and wiring instructions.

FCC NOTE:

The FCC labeling requirements are in section 15.19 and defines the following:

This device complies with part 15 of the FCC rules. Operation is subject to the following conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

WARRANTY:

Your unit is warranted to be free from defects in material and workmanship under normal use and service for a period of one year from the date of purchase, excluding battery.

The manufacturer's obligation is limited to repairing or replacing (F.O.B. Toledo, OH) any part of the product which is defective. Such warranty shall not apply to damages resulting from accidents, abuse, or misuse, or if the consumer has attempted to alter the product in any way. We will return your product, transportation charges prepaid, provided it is delivered prepaid to:

R & K Lighting
P.O. Box 6098
Toledo, OH 43614-6098

The original sales receipt must be sent with the unit.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damage. Thus, the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
