Dear Sir or Madam:

We Electronic Solutions, Inc. hereby declare that product: Motor Control, model(s): *M40RF* is/are electrically identical with the same electromagnetic emissions and electromagnetic compatibility characteristics as model: M50RF tested by Criterion Technology, the results of which are featured in the EMC test report: 100232-1548.

A description of the differences between the tested model and those that are declared similar are as follows:

The models M40RF and M50RF use the same identical electronic control circuit board and components. The only difference is the size of the enclosure tube. The M40RF uses a 40mm diameter tube and the M50RF uses a 50 mm tube.

Please contact me should there be need for any additional clarification or information.

Best Regards,
