Ref: FCC Class II Permissive change for FCC ID: PD9AX211NG

Dear Examiner,

This is to request a Class II permissive change for module approval FCC ID: PD9AX211NG, originally granted for DSS, DTS, UNII on 02/17/2021 , for 6XD on 04/26/2021.

Change #1: This change establishes portable category SAR conditions for the Lenovo model IdeaPad 5 2-in-1 16IRU9 convertible PC with PIFA antennas part number AYP6Y-100469 and AYP6Y-100470 and 3.N201.0263 and 3.N201.0264.

Our intention is to apply the PAG re-use process for granting approval due to the Dynamic SAR feature using G/Hall sensors.

Sincerely,

A handwritten signature in black ink, appearing to read "Benjamin Lavenant", with a horizontal line extending from the end of the signature.

By:

Benjamin LAVENANT
