Notice_content

Question #1: User manual does not contain information requirement per 15.105 (b) of FCC rules. Please provide revised user manual.

Question #2: There were several modifications have made to the product during the final compliance tests. Please provide a modification statement from the applicant to acknowledge the modifications.

FYI : The internal photos file submitted are 6MB in file size. Please reduce the file size to no more than 3MB. The internal photos have been reduced by TCB. You do not need to submit internal photo file again for this application.

Best Regards

Mike Kuo / TCB Certifier.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
