RE: FCC ID:PK5GM405

On behalf of Ubinetics, please find attached an application for a new FCC ID for a modification to the currently approved device PK5GM401. The original grant will remain in effect.

The characteristics of the device required to be reported are not changed and according to the abbreviated procedure in 47CFR2.933(b):-

- 1 The original FCC Identification is PK5GM401.
- 2 The original grant date is 07/18/2002.
- 3 The differences in the PK5GM405 are stated in attached Ubinetics letter dated 25th Feb 2003.
- 4 The original test results are applicable and representative of this device , see attached Ubinetics letter dated 25th Feb 2003.
- 5 Exterior photographs are attached.
- 6 Confidentiality request
- 7 Agent authorisation letter.

If you have any queries please do not hesitate to contact me.

Sincerely,

Allen Ferry
Compliance Manager
