30 April 2001

FCC

SUBJECT: BONTEC CO., LTD. FCC ID: PLNBONTEC-003

To Whom It May Concern:

In the original application the test laboratory did not include any data about the bandwidth of the emission and they did not include a statement about test the EUT in 3 orthogonal planes. They send the additional information and stated that it was tested in the 3 orthogonal planes.

Sincerely,

Eric Dobson
