Dear Mr. Coperich:

We have completed our review of the request by BF Goodrich for equipment authorization by the Federal Communication Commission (FCC). The request was for the BF Goodrich TRC 899 Collision Avoidance System, FCC ID: PMYTRC899. The Aircraft Certification Service, AIR-130, notified us that the equipment has received Federal Aviation Administration, Technical Standards Order authorization. This office has no objection to the granting of the certification.

If you require any additional information, please contact Mr. Michael Richmond, Spectrum Planning and International Division, ASR-200, at (202) 493-4157.

Sincerely,

George K. Sakai
Program Director for Spectrum
Policy and Management
