Overview

connectBlue is submitting this application for a Class II Permissive change (C2PC) of FCC ID: PVH0941. This WLAN radio has full modular approval. They are seeking the C2PC in order to add this radio to the Mindware Technologies Mobile 50-2303. In this configuration the RF exposure condition is portable. SAR reports have been submitted in support of this configuration.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
