PINEAPPLE TECHNOLOGY INCORPORATED APPLICATION FOR UTX3KW TV TRANSMITTER TYPE CERTIFICATION

Pineapple Technology Inc. (PTI) has designed, built, tested and intends to market a Television transmitter with model UTX3KW. Type certification is sought over the range of 1.0 kW to 3.0 kW visual output power. This transmitter is a common amplification system with 10% aural power.

The attached documentation of the user manual is a preliminary version of the documentation. A final documentation package will be submitted upon its completion from the publisher.

The submission of the following exhibits is expected to demonstrate compliance with applicable Part 2, Part 73, and Part 74 rules and regulations.

Sincerely,

Greg Best President
