RE: Attestation Letter

Dear Sir/Madam,

Regarding Wilson FCC ID: PWO271865 granted on 2011-08-23; we would like to supersede the label drawing and External photos exhibits to remove the IC certification number as IC certification will not be pursued for this product.

The Grant notes will also be updated to correct the antenna separation distance.

Thank you very much

Sincerely,

Jennifer Paigly, Document Control Lead
