To: Whom it May Concern

Subject: Alternative Warning Label Placement

This letter is to request alternative warning label placement for the signal booster model number 460007. The signal booster is too small to fit the warning label. Instead, the warning can be found in the User Manual.

Sincerely,

A handwritten signature in black ink, appearing to read 'P. L. Cook', written in a cursive style.

Patrick L. Cook  
Senior Research and Development Engineer
