A black mobile phone is shown with a white label on the back. The label contains the following text: "CETECOM" (with a logo), "2005-04-07", "Kunde: Georg Eberwein Mobile Care", "Projekt: 2-4883/08-22", "Sample: AAB-1032061-BV", and "Johanna850". Below the label is an orange logo consisting of three wavy lines. A wooden ruler is placed below the phone, showing markings from 18 to 21 cm.

The image shows a Sony Ericsson W996 mobile phone with its back cover removed. The phone is black and silver, and the back cover is black with the Sony Ericsson logo. The internal battery is a Sony Ericsson Standard Battery (BP-111) with a capacity of 1000mAh. The phone is placed on a wooden surface next to a ruler for scale.
