

FCC ID: PY7PM-0131

This is to confirm that all test reports to support this application were originally used for the equipment model variant ST21i approved under FCC ID: PY7PM-0130. These reports are considered acceptable based on the manufacturer's attestation letter that states electrical equivalence of the ST21i and ST21i2 equipment models.

A handwritten signature in black ink, appearing to read 'J. L. Bellan'. The signature is written in a cursive style and is positioned above the company name.
