

## Justification of Test

As the test lab for PM-0611-BV from Sony Mobile Communications AB, we, TMC Beijing, declare on our sole responsibility that, according to the file "Comparison PM-0610-BV and PM-0611-BV" from the manufacturer, only FCC radiated part testing has been performed, all conducted results were reused from PM-0610-BV (FCC ID PY7PM-0610).

A handwritten signature in black ink, consisting of the Chinese characters '李光' (Li Guang) written in a cursive style.
