Request for Confidentiality

Nokia
FCC ID: PYAAD-42W
FCC Part 15 Certification

Gentlemen,

In accordance with 0.459 of CFR 47, Nokia hereby requests confidentiality of Block Diagrams, Circuit Diagrams (Schematics), Parts List and Operational Description attached for the subject application.

These documents contain detailed system and equipment description and related information about the product, which Nokia considers to be proprietary, confidential, and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Nokia considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours faithfully

Kalle Suurpää
