04/Aug/11 > Template art from Jose / Renny_graphics_typelabel_001.ai

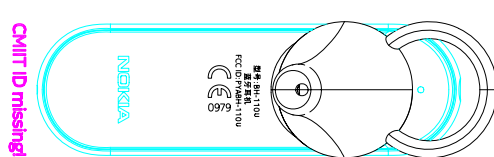

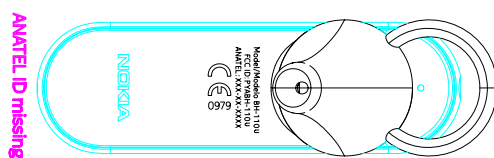

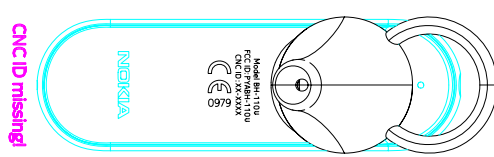

EU & NAM

LTA

Brazil

China

All codes and to be updated once available!
Dummy CE ("CC") corrected after CE certification done.

CE 3 mm (agreed OK for small GEAR devices, will not overpower the design)

WEEE trashcan not put in since it would not fit in full size, needs to be in packaging and product documentation

LTA icons would be too small to read, need to be in packaging and product documentation
