

Response to TCB findings

FCC ID: PZPCRICKUSB01

Hi Kent,

We have completed our review and identified the following issues:

1. Please provide a completed Curtis-Straus certification agreement.

Response – supplied certification agreement.

2. Please provide details of the label material.

Response - The FCC ID and marking label for Crick Software will be constructed of permanent adhesive-backed polycarbonate film, surface printed with heat-bonded polymer ink.

Best regards
