

Attestation Letter

Date: 2015/06/29

To Whom It May Concern :

We, ICP DAS Co., Ltd. declare on our sole responsibility that the product,

Type: RF Modem

Model: ZTM-W

is in all relevant parts equivalent to the product,

Model : ZTM-P

The difference between ZTM-W and ZTM-P are:

- 1. ZTM-W use external antenna &**
- 2. ZTM-P use build-in antenna**

The application of current model will be electrically and mechanically identical to the model: ZTM-W and ZTM-P Continue to be representative of and applicable to the new model. Layout of wiring between internal and external antennas changed according to antenna location changed (Circuit diagram for RF part are not effective).

Regards,
