FCC Part 15 Certification

Gentlemen,

This device is not intended for home use and must be installed professionally. This device must be installed and used in strict accordance with the manufacturer's instructions. Installation of this product must comply with local regulations and codes. During deployment of the system and its initial setup, professional installer must ensure that the allowed EIRP limit is not exceeded (in the Country of exploitation of this equipment). To achieve this professional installer must use only manufacturer approved antennas, enter the gain of selected antenna in the software used to setup and manage the product. Changes or modifications to the device not approved by the manufacturer of the product could void the user's authority to operate the equipment and will void the warranty of the product.

Sincerely,

Name:	Robert Hastings
Company:	Aruba Networks
Title:	Regulatory Compliance Manager
