RE: FCC ID: QFXRM-133_ATCB003606
Attention: Alison Kingston

I have a few comments on this Application. Please note that further comments may arise in response to answers provided to the questions below.

1. Please provide the manual. Please include all appropriate FCC statements such as non modification statement etc.
2. Please note that the filing indicates IC also, however no IC application has been provided. Please provide the appropriate IC application form.
3. Please remove all shields from the boards in the internal photos and show the components underneath.
4. Please provide the SAR report for the device.

Dennis Ward

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
