

E3251s-6 has two modalities, the one is RF switch in the middle and the other is RF switch in the side.

The difference is that:

E3251s-6 (RF in)

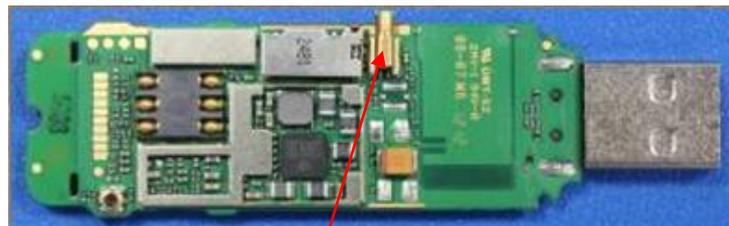

E3251s-6 (RF side)

Straight Switch

E3251s-6 (RF in) with straight switch

Angle Switch

E3251s-6 (RF side) with angle switch
