Question: We are a TCB and we have received two applications for fixed wireless desktop phones operating under Part 24E and using CDMA2000 1X RTT technology. The intended FCC ID Numbers are FCC ID: QISETS2556 and FCC ID: QISETS2551. The current FCC policy requires a TCB to ask for advice from FCC prior to certifying a CDMA 2000 device. We hereby ask for guidance regarding review procedures. Sincerely, EMCC DR. RASEK Klaus Knoerig
