USB function explanation

Part 15B DOC testing is not necessary for this device because the USB port is for charge only.

End users are not able to connect to PC for data transmission via USB port. Due to above reasons, this device didn't perform Part 15B DOC testing, and FCC logo shouldn't be on the label. Your understanding will be highly appreciated.

Sincerely,

A handwritten signature in black ink that reads "Zhang Xinghai". The signature is written in a cursive, flowing style.
