Dear Timco Engineer,

Thanks for your mail very much. This device is not available to connect to a Class B computer, the USB port is not for data transmission, it is only for charger connects. We have checked it again.

Best Regards!

Wu Xuewen

REFERENCE: JOB 2262CC8

Dear MR. XUEWEN:

This application is on hold until these questions are resolved. Please answer all question(s) together and only respond to tei@timcoengr.com. Any other method will cause unnecessary delay.

DO NOT HIT REPLY! Your response should be sent ONLY to tei@timcoengr.com. Any additional exhibits that are sent should be UPLOADED at our web site – please do not attach files to your email. Responses should also contain the job number, applicant name and FCC ID of the device. If an acceptable response is not received within 2 weeks the job will be closed & there will be additional charges to reopen.

Answer all questions. Be sure to number or identify your answer with the corresponding question. If you are referring to another document, be sure to give the page number and paragraph reference where your response can be found.

Based upon our review of this application we have the following questions:

Part 15.101(a): This device connects to a class B personal computer (USB connector port). As a result, the computer peripheral portion of this phone is subject to the Declaration of Conformity (DoC) or Certification procedure. Please submit either:

An attestation from the Grantee stating that the “Declaration of conformity procedure will be applied” OR

A revised label content showing the FCC DoC logo per part 15.19(b)(1)(i) OR

A 731 form (JBP equipment class) along with a part 15 subpart B test report and exhibits required under 2.1033(b)

Sincerely,

Timco Engineering, Inc.
