RE: FCC ID: QK9SR082002AT  
Attention: Brian Dettling

I have a few comments on this Application.

- 1 The manual does not contain the statement in accordance with 15.21 (no modification).
- 2 Is there any circuitry under the wave guide section on the PCB? If so, please provide a photo of this section of the board. If not, please so state.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
