Assessment NO.: AN05T4757, Notice#1

Question #1: User manual: The user manual does not contain FCC15.21 user
information and RF exposure statement. Please revise the user manual.

Question #2: Schematics: Please extract page 2-4 from Schematics and save it
as Antenna Specification Exhibit. You may wish to add Antenna Specification
on the confidentiality letter.

Best Regards,
Helen Zhao

The items indicated above must be submitted before processing can continue
on the above referenced application. Failure to provide the requested
information within 30 days of the original e-mail date may result in
application dismissal and forfeiture of the filing fee. Also, please note
that partial responses increase processing time and should not be submitted.
Any questions about the content of this correspondence should be directed to
the e-mail address listed below the name of the sender.
